

Horseback Riding Questionnaire

Please fill out this questionnaire to help us prepare for your child's time at camp. This form is necessary so we can match horse and rider appropriately and therefore give campers a great time at camp. Thank you!

Camper's Name _____ D.O.B. _____

Riding helmets are at the discretion of each family. The barn will provide helmets, or riders can bring their own. Families can waive the option for students to wear helmets.

We would like to borrow a riding helmet. My child owns an SEI Certified riding helmet.

We are opting out of riding helmets

Riding Experience (check one)

- Pre-Riding (never been on a horse, afraid of horses and/or may need side-walker support while riding)
 Beginner (ridden a horse less than 5 times, been to summer camp but no weekly riding lessons, little to no experience)
 Intermediate (taken more than 11+ horseback riding lessons and performs basic riding skills at the walk and trot.)
 Advanced (takes/has taken horseback riding lessons consistently, can trot/canter and perform basic riding skills, confident and comfortable when riding/working with horses)

Please describe any riding experience or anything we should know about your camper's experience with horses; this helps us place your child with the correct riding group.

Please note, all horses and ponies are assigned by the Camp Director at their discretion. We take into consideration the age/weight/height/experience of campers to ensure a safe and enjoyable time at camp. We do not take horse requests.
