In 2026 the C Bracket Horse Barn is excited to again offer horse day camps on the schedule of opportunities for our horseback riding students! This will be our sixth summer offering day camp experiences for Casper's kids, and they get better every year!

These weeks will be horse-intense beginner through intermediate wrangler day camps for youth ages five to 18. The program runs from 9 a.m. until 2 p.m. for either three days (mini camp) or four days.

Campers will not only learn how to ride horses or expand their current skills, but will also learn equine behavior and basic skills for equine care. There are multiple levels of Horse Day Camp. Each level is designed to match your camper's current proficiency, and allow them to safely master certain skills before advancing to the next level.

For beginners, having fun and learning to be safe and confident while leading, saddling and riding a horse are a top priorities. The days will include horseback riding and other activities in the barn like horse chores, equine education and bonding with fellow campers through groundwork training with their horses. Intermediate riders will add to the basics with skills like balance and feet placement, leg cues, leads and loping and bareback riding. The camp's instructors will take great care to place each rider in their appropriate level.

Each week will end with a mini playday for parents and family in the afternoon of the last day, and campers will receive a photo of themselves with one of the horses they rode during the week as well as a limited edition 2026 Horse Day Camp t-shirt.

Each camp includes two hours minimum horseback each day, no matter the theme!

### **Camp Cost:**

**Full Day Camp (4 days): \$375  
Mini Camp (3 days): \$285**

### **Early drop-off/Late pick-up**

We will allow a grace period of 15 minutes for drop off and pick up times. If drop-off or pick-up time exceeds 15 minutes, your account will be charged the early drop-off or late pick-up fee of \$25 for the week.
